ADDENDUM TO JOURNAL
OFFICE OF LEGISLATIVE COUNSEL
Tuesday - 26 December 1978

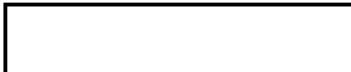

1. (Unclassified - DFM) LIAISON Received a call from Hans Binnendijk, Senate Foreign Relations Committee staff, who requested a short unclassified paper on China arms sales, specifically what they produce and what they have been selling abroad. Binnendijk also referred to the Washington Post article about a CIA report on Soviet arms sales and asked for a copy of this report. Subsequently, Binnendijk called again and said he was preparing a paper about the PRC and Taiwan and wanted to know if we could say anything unclassified about the Intelligence Community's view of the possibility of a PRC invasion. I called him back and read him a brief unclassified statement which had been prepared by NFAC.

2. (Internal Use Only - DFM) LIAISON Received a call from Jim Thessin, Senate Foreign Relations Committee staff, who said he would like to schedule an OER spokesman to meet with Senators Frank Church (D., Idaho) and Jacob Javits (R., N.Y.) about Saudi oil production next week.

4. (Unclassified - DFM) LIAISON Received a call from Jim Locher, Senate Armed Services Committee staff, who said Senator Gary Hart (D., Colo.) had asked him to accompany him on tomorrow's briefing on China. I told Locher we would have no problems with his attending and gave him details about the agenda.
